Letter dated 15 July 2004 from the Permanent Representative of Lebanon to the United Nations addressed to the Secretary-General

On instructions from my Government, I transmit to you herewith a statistical table showing the number of Israeli violations which occurred during June 2004, i.e., a total of 103 violations.

These acts of aggression reaffirm Israel's hostile attitude, and the nature and number of these unjustified and inexcusable violations and acts of aggression confirm Israel's premeditated intent to threaten and provoke and to disrupt security and stability in order to serve its aggressive, expansionist objectives throughout the region.

In drawing your attention to the gravity and possible consequences of such acts, I request that this letter of complaint be circulated as a document of the General Assembly, under agenda item 37, and of the Security Council.
